

INAUGURATION OF NEW CORPORATE OFFICE BUILDING OF MSTC LIMITED

The new Corporate Office building of MSTC Limited, situated at New Town, Rajarhat, Kolkata, was inaugurated by Shri Ram Chandra Prasad Singh, Hon'ble Minister of Steel, on 26th August, 2021 in the presence of Shri Faggan Singh Kulaste, Hon'ble Minister of State for Steel and Rural Development,.

MSTC Limited, set up in 1964 with its Corporate Office at Kolkata, was functioning from a rented office premises since inception. In 2017, MSTC acquired land for construction of its own Corporate building in New Town, Rajarhat, Kolkata from West Bengal Housing Infrastructure Development Corporation Ltd (WBHIDCO). NBCC (India) Limited, a CPSE, was the Project Management Consultant (PMC). The 11 storied building is a state of the art construction incorporating the latest features. The total covered area is approximately 55,000 Sq. ft and is capable of accommodating 182 Officers and Staff. The building is certified as a 'Green Building'.

Keeping in view the lifecycle cost and environmentally sound and safe construction, the corporate building of MSTC is a Steel intensive structure with minimum use of concrete. The Building has an Intelligent Building Management System (IBMS) wherein all the services like security surveillance, air-conditioning, internal lighting, elevators, fire fighting, fire detection system are integrated to the Building Management System. Solar panels of 20 KW capacity are installed on the roof top and the electricity generated is consumed in-house and total consumption from grid is net of power generated from the solar panels. LED lights have been used extensively to minimize energy consumption. Keeping in view the importance of water conservation, the Building consists of Rain Water Harvesting System.

One floor is entirely dedicated to MSTC Data Centre incorporating the latest technical specifications with provisions for increasing server capacity in future and forms the back bone of MSTC e-Commerce operations. In addition to the Board Room and the Conference Room with State of the art facility, the building has a small auditorium. Apart from this, the 9th floor of the building houses Cafeteria, Guest Room, Gymnasium, Union Room, Employees Recreation club etc. There is a roof top garden in the terrace.
