

Minutes of the Meeting of the Advisory Group on Integrated Steel Plant (ISP)
under the Chairpersonship of Hon'ble Minister of Steel.

Date and Time: 8th August, 2022 at 3:30 PM

List of participants is enclosed

1. 1st meeting of the Advisory Group on Integrated Steel Plant (ISP) chaired by Hon'ble Minister of Steel was held on 8th August, 2022.
2. Hon'ble Minister of Steel welcomed the participants. After introduction by the members, the members held discussion to identify issues and concerns of the ISPs. Thereafter the committee decided on the priority issues that needed to be discussed by committee.
3. The agenda items firmed up for further discussions were:
 - i. Duties and Levies on Iron ore & steel products.
 - ii. Increasing cost competitiveness of the steel Industry.
 - iii. Proposed Capacity Expansion by major steel players towards Vision 2030.
 - iv. Future Investments & CAPEX by the Major Steel players.
 - v. Raw Material Security for realization of Vision 2030.
 - vi. Production Linked Incentive (PLI) Scheme.
 - vii. Enhancement of logistic and utility infrastructure to Steel Clusters (with special emphasis on the eastern region — Purvodaya).
 - viii. Circular Economy in Iron & Steel Sector
 - ix. Use of waste plastic in steel making.
 - x. Transition towards Green Steel.
 - xi. Export Duty imposed on iron ore & steel products.
 - xii. Supply of coking coal.
 - xiii. Branding of Steel for Exports - 'Made in India' Steel.
 - xiv. Strengthening Safety Management & Practices in Steel Industry.
4. Several valuable inputs were given by the members. Based on the discussions in the meeting following key decisions were taken in the meeting.

5. For having better focus on above priority areas, the Committee proposed to constitute 2 sub-committees for issues no. 1 & 2 with following composition: -
