

Format for clarification																														
Importer Detail				Material Detail (Present Import)								Exporter Detail																		
1	Name :			ITC(HS) Code								Name :																		
	Address :			Description								Address :																		
	Mob :			Qunatity								Mob:																		
	E-mail :			Value (In Rs.)								E-mail:																		
Comparison of Chemical and Mechanical Properties																														
Alloying Element %																														
		Designation		Grade Name		Form / Type		C	Mn	Si	S	P	Cr	Ni	Mo	Cu	Al	N (ppm)	V	B	Ti	Nb	others	YS (Mpa)	UTS (Mpa)	Hardness HRB/HRC/Other	%Elongation	Others		
2	Grade of the material to be imported																													
	Relevant Indian Standard & Nearest Grade																													
	Equivalent National/International Standard if any																													
	ASTM																													
	EN																													
	JIS																													
Others																														
* Clearly indicating in color (Red - Not matching with IS Standard) the difference from Indian Standard																														
3	Justification for import																													
4	Requirements		Tonnage imported annually during last 3 finacial years alongwith value (in Rs.)		FY 2015-16				FY 2016-17				FY -2017-18																	
					Quantity				Quantity				Quantity																	
					Value (In Rs.)				Value (In Rs.)				Value (In Rs.)																	
	Future Monthly tonnage required																													
	Projection for current finacial year (2018-19) and 2019-20		FY 2018-19								FY 2019-20																			
	Value and tonnage of material for the consignment under consideration		Quantity								Quantity																			
Value (In Rs.)								Value (In Rs.)																						
5	End use Application		Full description of material, end use, along with customer details.																											
			Whether material available domestically ? If yes, (i) who are the domestic suppliers & (ii) why it is being imptrted																											
6	Remarks																													
7	Has the fees been paid		Presently not applicable
