- (b) whether the Government has any plan to revive the said plants; and
- (c) if so, the details thereof along with the time by which these plants are likely to be revived?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI VISHNU DEO SAI)

(a)to(c): There are two public sector steel manufacturing companies in the country namely Steel Authority of India Limited (SAIL) and Rashtriya Ispat Nigam Limited (RINL). Both are profit making public sector enterprises. Hence, the question of making plans for revival of these public sector enterprises does not arise.
