

GOVERNMENT OF INDIA
MINISTRY OF STEEL

RAJYA SABHA
UNSTARRED QUESTION NO.1828
FOR ANSWER ON 29/03/2012

GROWTH OF STEEL DEMAND IN FUTURE

1828. SHRIMATI T. RATNA BAI:

Will the Minister of STEEL be pleased to state:

- (a) whether the steel demand is set to grow in future;
- (b) if so, the details thereof; and
- (c) the present status of orders, State-wise?

ANSWER

THE MINISTER OF STEEL

(SHRI BENI PRASAD VERMA)

(a)&(b): Yes, Sir. It is estimated that domestic demand for finished steel (alloy+non-alloy) will reach 113.3 million tonne (mt) by 2016-17, the terminal year of the 12th Plan, from the 65.6 million tonne (mt) level (provisional) reached in 2010-11.

(c) Steel is a deregulated sector and supply against demand is made by steel producers located all over the country. However, details of State-wise sale of steel by the two Public Sector Undertakings, namely Steel Authority of India Limited (SAIL) and Rashtriya Ispat Nigam Limited (RINL), in the current financial year (upto February, 2012) are given in the **Annexure**.

Annexure
